Christ the Leader

Part 2: Work Ethics

Matthew 20:28 the Son of Man, who did not come to be served, but to serve and to give his life to redeem many people.

The story of the baptism in the Holy Spirit

Kingdom Leadership

- **Col 3:23** Whatever you do, work at it with all your heart, as though you were working for the Lord and not for people.
- **2Thes 3:10** While we were with you, we used to tell you, "Whoever refuses to work is not allowed to eat."
- **Eph 4:28** If you used to rob, you must stop robbing and start working, in order to earn an honest living for yourself and to be able to help the poor.

Work Ethics

- **Pro 6:6-8 Lazy people should learn a lesson from the way ants live.**
- **They have no leader, chief, or ruler, but they store up their food during the summer, getting ready for winter.**

About ants

- **Ant communities are headed by a queen or queens,**
- **whose function in life is to lay thousands of eggs that will ensure the survival of the colony.**

About ants

- **Female ants are workers (the ants typically seen by humans)**
- **are wingless females that never reproduce,**
- **but instead look for food, care for the queen's offspring, work on the nest, protect the community, and perform many other duties.**

About ants

- **Male ants often have only one role—**
- **mating with the queen.**
- **After they have performed this function, they may die.**

About Ants

- **“The total ant population is estimated at one quadrillion (1,000,000,000,000,000). One insect out of a thousand is an ant!”**
- (www.espacepourlavie.ca/en/ecological-importance-ants)

What is the value of ants?

- **“through moving of soil by nest building activity and by collecting food they affect the level of nutrients in the soil”.**
- **“they prey on a wide range of other animals”.**
- (www.sciencedaily.com/releases/2011/01/110131133227.htm)

Ants take seeds to the soil

Ants are food to many

- **“The anteater is not the only animal that likes to eat ants. Ants are a favorite food source for several species of birds, lizards, snakes, spiders, and even people.”**

(www.ask.com/answers/66034621/what-animals-eat-ants)

Anteater at work

Anteater has a long tongue

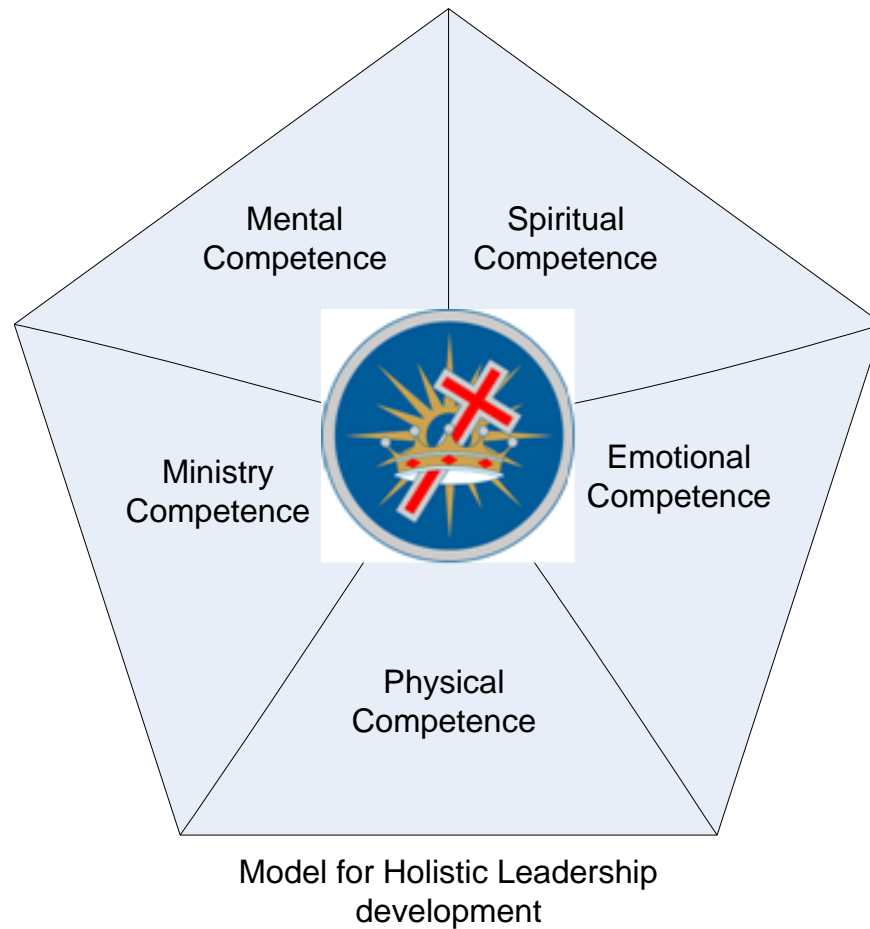

What do we learn from ants?

- **Their lives consist of work**
- **All work**
- **They have a common goal**
- **Teamwork**
- **They communicate**
- **They make provision for the future**
- **They are gift focused**

TEAMWORK ... BETTER FOR ALL

Part 3: Holistic Leadership

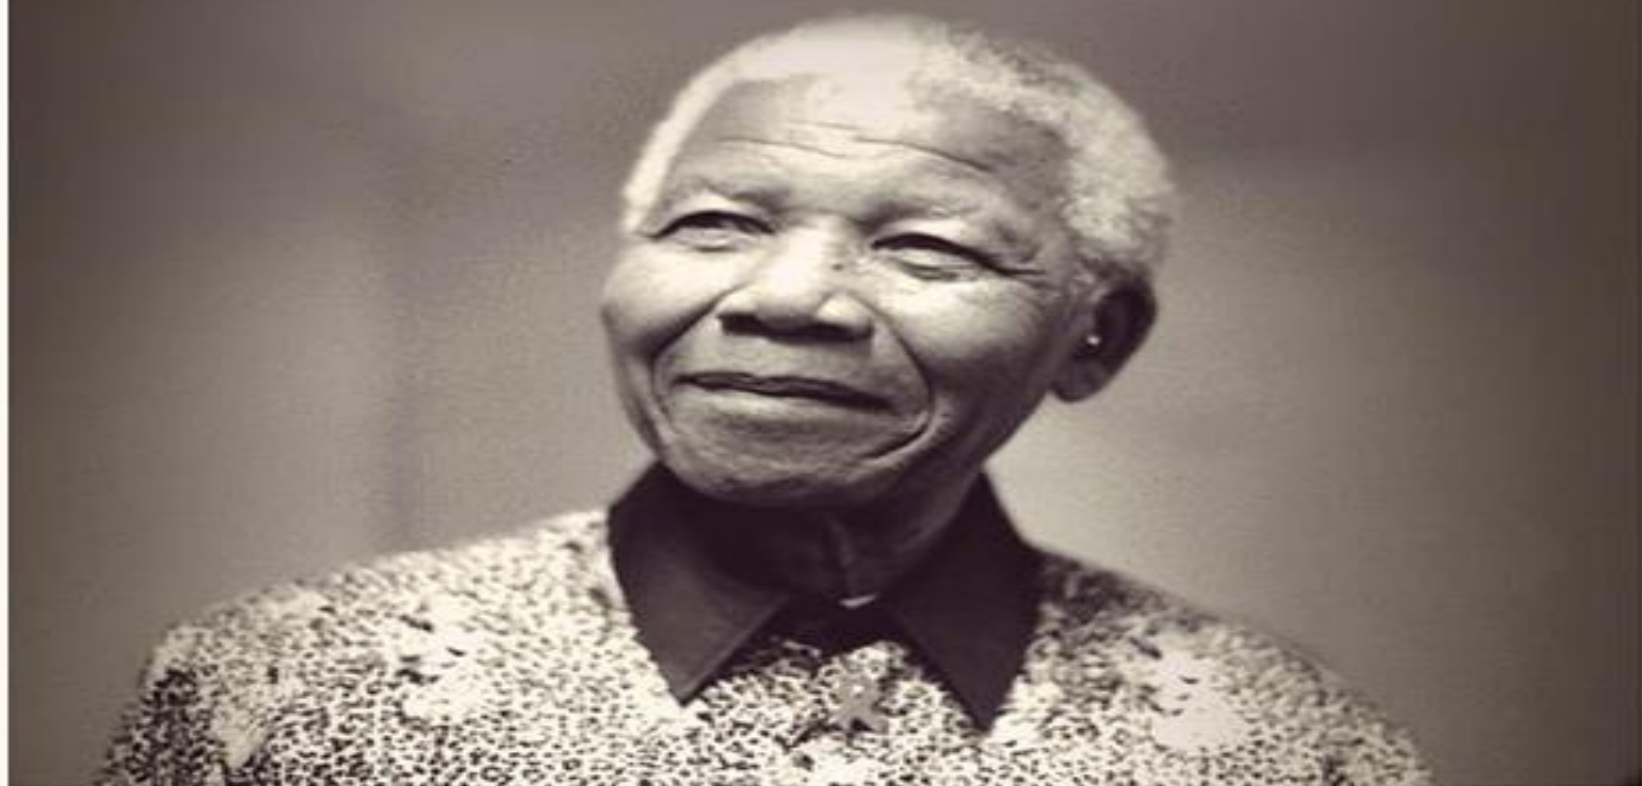

Kingdom Leadership

Happy 94th Birthday, Madiba!

Wishing you peace, good health and happiness.

Kingdom Leadership

Kingdom Leadership

Spiritual development

- **Discover your personal vision**
- **Spiritual disciplines**
- **Prayer, Fasting & Meditation**
- **Study, Confession & Worship**
- **Service, Simplicity & Solitude**

Emotional development

- **Self-awareness – self-confidence**
- **Self-regulation,**
- **Self-motivation.**
- **Handling depression & burnout**
- **Handling conflict**

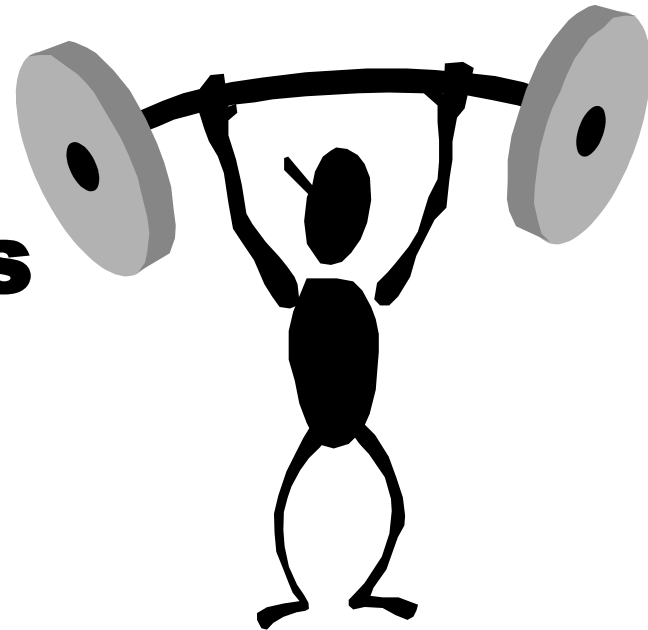

Mental development

- **Left brain and right brain**
- **Taking responsibility for your actions**
- **Formal learning**
- **Informal learning**

Physical development

- **Personal fitness**
- **Eating**
- **Sleeping**
- **Working**
- **Recreation**

Kingdom Leadership

Ministry development:

- **Leadership**
- **Talents and gifts**
- **Trial and error**
- **Passion**
- **Opportunity**
- **Preaching**
- **Pastoral care and Counselling**

Ministry development

- **Administration and Management**
- **Mission and Evangelism**
- **Marketing**
- **Ministries**
- **Confirmation**
